

H-Block Mini Special Features

ASC Engineered Solutions'™ H-Block Mini Rooftop Support Systems provide a full complement of products to support gas and refrigeration piping, plumbing, multiple lines, electrical conduit, ductwork, HVAC and many other applications.

H-Block Mini supports are pre-assembled and are suitable for installation on most types of roofing material and other flat surfaces.

- Economical
- Versatile
- Single pipe application use
- Mounting and supporting without losing strength or integrity
- Made from 100% post-consumer recycled materials
- Corners coated with high visibility safety ANSI #Z535.1-1998 orange
